

CITY GARBAGE POLICY

In order for the City workers to pick up your garbage and recycling it needs to be prepared according to these guidelines.

1. You must be a City garbage service customer to qualify for the free recycling pick-up.
2. City orange garbage bags **MUST** be used for household garbage. They can be purchased at City Hall, Hansen's IGA, and Ace Hardware. Garbage in black bags, loose, or in white bags will **NOT** be collected.
3. Recycling must be in appropriate containers of your choice. Our crew will empty your containers and leave them for you. Caps need to be removed from plastic containers, cardboard must be flattened, and glass, aluminum and tin must be separated from each other. Please see the recycling schedule for more details on pick up days.
4. City Hall must be notified of large items you would like to dispose of. Couches, chairs, mattresses, etc, will not be picked up unless we are notified first. These items will be weighed and billed accordingly.
5. Appliances such as TVs, washers, refrigerators, will not be picked up by the City until the non-refundable fee of \$18.00 is paid at City Hall. Then, they will be on the pick- up list for the last Friday of the month.
6. Dumpsters are available to rent through the City. They are \$25.00 for 7 days of use. You are then billed .07 cents per pound of what is in the dumpster.

**** ALL GARBAGE THAT IS NOT DISPOSED OF APPROPRIATELY WILL BE CONSIDERED LITTERING AND WILL RESULT IN A FINE GIVEN BY THE WESTBY POLICE DEPARTMENT.**
