**Are You Preparing for Spring Cleaning??**

**Things to know:**

Dumpsters are available to rent through the City. A $25.00 drop fee is required before the delivery of a dumpster can be made. This will get you a dumpster for 7 days. You will then be charged $0.07 per pound for the weight of the content of the dumpster. You may not put tires, appliances, paint cans, or hazardous chemicals in the dumpster.

Appliance and Large Metal Pick-up is held on the last Friday of each month. There is an $18.00 charge for appliance pick-up which needs to be paid before the appliance will be picked up. Stop into City Hall to schedule your appliance pick-up.

City Hall must be notified if you have large items you would like picked up. Couches, chairs, mattresses, etc. will not be picked up unless City Hall is notified first.

These items will be weighed and billed accordingly.
