### Sec. 2-5-1 Statement of Purpose.

- (a) The proper operation of democratic government requires that public officials and employees be independent, impartial and responsible to the people; that government decisions and policy be made in proper channels of the governmental structure; that public office not be used for personal gain; and that the public have confidence in the integrity of its government. In recognition of these goals, there is hereby established in this Chapter a Code of Ethics for all City of Westby officials and employees, whether elected or appointed, paid or unpaid, including members of boards, committees and commissions of the City, as well as any individuals who are candidates for elective office as soon as such individuals file nomination papers with the City of Westby.

The Common Council believes that a Code of Ethics for the guidance of elected and appointed officials and employees will help them avoid conflicts between their personal interests and their public responsibilities, will improve standards of public service and will promote and strengthen the faith and confidence of the citizens of the City of Westby in their elected and appointed officials and employees. The Common Council reaffirms that each elected and appointed City official and employee holds his or her position as a public trust, and any intentional effort to realize substantial personal gain through official conduct is a violation of that trust.
